GLOBAL GIRMIT INSITUTE

TRUSTEES' REPORT

In accordance with a resolution of the Board of Trustees, the Trustees herewith submit the statement of financial position of Global Girmitee Institute (the Institute) as at 31 December 2020, the related statement of financial performance, statement of changes in trust funds and statement of cash flows for the year ended on that date and report as follows:

Trustees

The Trustees of the Institute at the date of this report are:

Doctor Ganesh Chand
Hirdesh Sharma
Anand Chand

Jagnnath Sami
Rajni Kaushal Chand

Objectives of the Institute

The objectives of the Institute are the protection and advancement of knowledge and education on all aspects of Girmitee, the lives of the descendants of Indentured workers, and on specific and totality of the environment within which the Girmitees have evolved and live ... (and as outlined in the Constitution of the Institute).

Results

The net deficit for the financial year was \$5,769. No income tax was applicable pursuant to Part 7 (2) of the Income Tax (Exempt Income) Regulation 2016.

Criteria for Funding

Donations to the Institute have been funded by trustees and donors. Donations in cash and kind are also accepted from the general public to carry out the objectives of the Institute.

Basis of Accounting – Going Concern

The financial statements have been prepared on a going concern basis. The going concern basis has been adopted in the preparation of the financial statements on the premise that the Institute will continue to operate in the foreseeable future and on the understanding that the Institute will be able to generate sufficient cash surplus from operations and obtain continued financial assistance from the trustees, donors and general public to enable the Institute to meet its obligations as and when they fall due.

The Trustees consider the application of the going concern principle to be appropriate in the preparation of these financial statements as the Institute has access to financial and other support from general public.

Current and Non-Current Assets

Prior to the completion of the financial statements of the Institute, the Trustees took reasonable steps to ascertain whether any current and non-current assets are unlikely to realise, in the ordinary course of business, their values as shown in the accounting records of the Institute. Where necessary these assets have been written down to bring the values of assets to an amount that they might be expected to realise.

As at the date of this report, the Trustees are not aware of any circumstances which would render the values attributed to current and non-current assets in the Institute's financial statements misleading.

GLOBAL GIRMIT INSTITUTE

TRUSTEES' REPORT [CONT'D]

Trust Funds

The Trust's funds as at 31 December 2020 totalled \$31,335 (2019: \$37,104).

It is the Institute's policy to utilise all of the funds available to it in furtherance of the objectives of the Institute.

Significant Events During the Year

The COVID-19 Global Pandemic

The COVID-19 pandemic impacted not only the global markets but it also had significantly impact on the Fijian economy. The Trustees of the Institute have carefully considered the impact of the COVID-19 outbreak on the Institute and have assessed the future operational options. Notwithstanding the COVID-19 global outbreak and significant economic uncertainty, the financial statements have been prepared on a going concern basis.

The Trustees consider the application of going concern basis to be appropriate for the preparation of the financial statements on the premise that the Institute will continue to operate in future and on the understanding that the Institute will be able to generate sufficient cash surplus from donations and operations and obtain continued financial assistance from other donors to enable the Institute to meet its obligations as and when they fall due.

Events Subsequent to Balance Date

No matters or circumstances have arisen since the end of the financial year which would require adjustment to, or disclosure in, the financial statements.

Other Circumstances

As at the date of this report:

- i) no charge on the assets of the Institute has arisen since the end of the financial year to secure the liabilities of any other person;
- ii) no contingent liabilities have arisen since the end of the financial year for which the Institute could become liable; and
- iii) no contingent liabilities or other liabilities of the Institute has become or are likely to become enforceable within the period of twelve months after the end of the financial year which, in the opinion of the trustees, will or may substantially affect the ability of the Institute to meet its obligation as and when they fall due.

As at the date of this report, the Trustees are not aware of any circumstances that have arisen, not otherwise dealt with in this report or the Institute's financial statements, which would make adherence to the existing method of valuation of assets or liabilities of the Institute misleading or inappropriate.

For and on behalf of the board and in accordance with a resolution of the Trustees.

Dated this 24th day of January 2023.

INDEPENDENT AUDITOR'S REPORT

To the Trustees of Global Gimit Institute

Report on the Audit of the Financial Statements

Qualified Audit Opinion

We have audited the financial statements of Global Gimit Institute (the Institute), which comprise the statement of financial position as at 31 December 2020, the statement of financial performance, statement of cash flows, statement of changes in trust funds for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects, if any, of the inherent limitation on recording of income and expenses referred to in the qualification paragraph, accompanying financial statements give a true and fair view of the financial position of the Institute as at 31 December 2020, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standard for Small and Medium-sized Entities (IFRS for SMEs).

Basis for Qualified Audit Opinion

As is common for organisations of a similar nature, and due to inherent limitations, it is not practicable for the Institute to maintain an effective system of internal control over income from donations, other income and expenses until their initial entry in the accounting records.

Accordingly, it was not practicable for our examination of donations, other income and expenses to extend beyond amounts recorded in the accounting records of the Institute.

We conducted our audit in accordance with International Standards on Auditing (ISA). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Institute in accordance with the International Ethics Standards Board for Accountant's *Code of Ethics for Professional Accountants (IESBA Code)* together with the ethical requirements that are relevant to our audit of the financial statements in Fiji and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of the Trustees' for the Financial Statements

The Trustees of the Institute are responsible for the preparation and fair presentation of the financial statements in accordance with IFRS for SMEs, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Institute's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Institute or to cease operations, or have no realistic alternative but to do so.

The Trustees are responsible for overseeing the Institute's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISA will always detect a material misstatement when it exists. Misstatements can arise from fraud and error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

INDEPENDENT AUDITOR'S REPORT [CONT'D]

To the Trustees of (Cont'd)

Auditor's Responsibilities for the Audit of the Financial Statements (Cont'd)

As part of an audit in accordance with ISA, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Institute's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.
- Conclude on the appropriateness of the Trustee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Institute's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures, are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Institute to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
